

## *Holden Beach Beautification Club*

*We cordially invite you as a property owner on Holden Beach, to join The Holden Beach Beautification Club. It has been in existence for 18 years. Some of our projects have been The Padgett Garden (at the foot of the bridge), The Butterfly Garden (by the firehouse), and The Pocket Park located in the 600 block of the island.*

*We meet from September to May on the second Wednesday of the month at 1:00 p.m. We participate in and create projects for the island that will enhance it. We also enjoy social activities together, garden tours, trips, guest speakers and learning about plants and vegetation that are natural in this area.*

*Whether you are here full-time or part-time, we think you will enjoy meeting others through our organization.*

*Please contact Membership Chair--- Lindy Collinson at 910-842-1597*
